Dual Port USB Wall Charger

CBTEK Dual Port Wall charger can be used in any space you can access a wall outlet and provides 2 universal USB ports for charging devices simultaneously—powerful charging with the bottom port having 5V 2.4A for maximum speed. Intelligent circuit design protects against short-circuiting, over-heating, over-current, and over-charging.

- 2 USB Ports for simultaneous charging of devices
- Control tested and designed to prevent over-heating and over-charging
- Lights up when plugged in
- Comes in four colors: black, blue, red, and white
- 12 Units / Display
- 24 Displays / Case
- **MSRP - \$7.99**

Dual Port Type-C & USB Wall Charger

CBTEK Dual Port Type-C and USB Wall charger can be used anywhere you have a wall outlet. The charger offers 2 ports, one for Type C and one for Type A so different types of devices can be charged at the same time for convenience.

Intelligent circuit design protects against short-circuiting, over-heating, over-current, and over-charging.

- Provides charging of USB Type C and Type A devices simultaneously
- Tested for quality control to prevent over-heating and over-charging
- Fast 50% charge in 30 minutes!
- Comes in four colors: black, blue, red, and white
- 12 Units / Display
- 24 Displays / Case
- **MSRP - \$9.99**

green roads[™] CBD Puffs

**MSRP:
\$29.99**

No nicotine, no tobacco and no stress! CBD Puffs by Green Roads deliver calming CBD in delicious flavors. Formulated and filled in the USA, this discrete device offers you all of the benefits of CBD without any THC, so they are relaxing but not intoxicating. Green Roads' CBD Puffs are like a hookah in your pocket — full of unbelievable flavor that you can vape all day.

Each device contains 1200mg of CBD derived from hemp grown in the U.S.A. In addition to providing the natural stress-reducing benefits of CBD, this device is also nicotine-free and THC-free. Calm your mind with every puff without feeling intoxicated or impaired. They're the perfect alternative to nicotine vaping products.
